

Declaration of Conformity

to 2011/65/UE (RoHS 2)/2015/863/EU (RoHS 3); and other current reg.
2006/1907/CE (REACH); Reg. 2016/217; and other current reg.
2018/851 (UE) /D.Lgs 116/2020 (SCIP)
93/68/CE (CE mark)
2014/35/UE LVD

We,

Cavi F.E.R.M.I. S.r.l.
Via La Bionda, 2
43036 Fidenza (PR)

declare under our sole responsibility that all our products meet the requirements of Directive 2011/65/CE RoHS 2 (and subsequent amendments) issued by the European Parliament.

Especially we state that our products are missing the following substances: Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr VI).

In accordance with European Union regulation called REACH (Registration, Evaluation, Authorisation and Restriction of Chemical Substances), No. 1907/2006, we declare to be a downstream: we don't produce or import chemicals. We apply - for what of our competence- REACH regulation scrupulously following points under the legislation: 1907/2009; 552/2009; 109/2012; 125/2012; 1272/2013.

We attest that all our products are compliant to what specified in the ECHA site for "chemicals of concern" and we confirm that none of the products delivered to our customer contains toxic or in any case harmful substances to environment and human health registered in the "Candidate List of Substances of Very High Concern" -SVHC- (see <http://echa.europa.eu/candidate-list-table>) updated on the **June 27th, 2024**.

We also attest that into compounds used in our cables the following products are not intentionally used

- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDEs)
- Decabromodiphenyl ether (decaBDE) (CAS No. 1163-19-5)
- Benzo[a]pyrene (BaP)
- Benzo[a]anthracene (BaA)
- Bis(2-Ethylhexyl) phthalate (DEHP)
- Benzyl butyl phthalate (BBP)
- Phenol, isopropylated phosphate (3:1) (PIP (3:1) (CAS No. 68937-41-7)
- Hexachlorobutadiene (HCBD) (CAS No.87-68-3)
- Chrysen (CHR)
- Benzo[j]fluoranthene (BjFA)
- Benzo[b]fluoranthene (BbFA)
- Benzo[k]fluoranthene (BkFA)
- Benzo[e]pyrene (BeP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate (DIBP)
- 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP) (CAS No. 732-26-3)
- Pentachlorothiophenol (PCTP) (CAS No.133-49-3)

It's not possible to exclude any unexpected contamination of the substances listed above (as possible decomposition products formed during processing or as environmental impurities). Cavi F.E.R.M.I. doesn't carry out specific analyzes for the determination of any of the substances mentioned above.

All the obligations required by 2014/35 are fulfilled.

We are also responsive to the provision for the CE marking in accordance with the requirements of Directives 93/68 and 305/2011.

Fidenza, 27/06/2024
